

# ¡Día! Diversity in Action: A Family Event with the Savage Branch Library and Author Lulu Delacre

## Tuesday, April 30, 2019 at 6-8pm

**Bollman Bridge Elementary School  
8200 Savage Guilford Rd, Savage, MD 20763**

Join the **Howard County Public Library, Bollman Bridge ES, Forest Ridge ES and Gorman Crossing ES**, as hundreds of libraries throughout the country host special multicultural events in celebration of ¡Día! (*El día de los niños/El día de los libros*, Children's Day/Book Day).

**6pm-6:30pm:** The **Savage Branch Library** will present the various resources available to community members. This program is for your family if you want to learn more about the STEM Education Center, the online tools available to your family at home, and how to sign up for library classes/seminars.

**6:30-8pm:** Author **Lulu Delacre** presents the “Salsa Stories/Us in Progress Family Workshop”. We explore What? or Why? as prompts for fiction writing. Lulu introduces both books and the questions that prompted each collection of stories. Then we explore how special foods spark fond family memories, and how these memories can be transformed into stories. Lulu guides families to begin crafting their own short story or poem using the remembered, the known, and the imagined. The youngest ones can help with illustrations.

**All Ages Welcome**

**For further information, please contact [michelle\\_melencio@hcpss.org](mailto:michelle_melencio@hcpss.org) or [loreal\\_edmondson@hcpss.org](mailto:loreal_edmondson@hcpss.org).**
