## Online Learning Support

Use this QR code, or click the survey link to request support!

These Support groups are here to help support/help your children with online learning. We seventh graders Hayden Loveless, Iman Abduldayem, Katie Lindenmann, and Kelly Ijams will be running these meetings for our Girl Scout silver award. We want to help students have a better experience with online learning.

In these meetings we plan on help your children with:

- ★ Social skills
- ★ Academics
- ★ Organization
- ★ Asynchronous work

We plan to play fun educational games with groups of students too! Parents are not required to attend but may if they would like. These meetings will be about 30 min-1 hour and will be after school at around 4:00. An adult will be supervising these meetings at all times but us seventh graders will be in charge. We hope you and your child can join us at these meetings!
