

# SUMMER BASEBALL CAMPS AND MORE!

Director Casey Medairy is a head coach at Hammond High School, former Division I college baseball player, and former NABF Batting Champion. Instructors are current or former college coaches and players with years of experience. Rotate through different stations that emphasize skill. Finish the day with controlled practice games to work on in-game scenarios and situations. Quality instruction is our top priority.

Coach Medairy has a philosophy that baseball needs to be a worthwhile and enjoyable experience for the youth player. Through playing and practicing the game of baseball will be the focus of our staff, there will be an underlying theme of sportsmanship, positive attitude, and hustle instilled in the players. Our hope is that the youth player will have one of the most enjoyable camp experiences they have ever had. Our goal is for your child to come home and say "I learned a lot today – And I had a Great Time!"
